

100mm Swivel Castors Grey Rubber Wheel

100-3360-GVR

This 100mm swivel castor is made of a zinc plated housing which ensures the castor is robust enough and suitable for a variety of environments. The castors, with the non marking grey rubber wheel, are suitable for trolleys, equipment and general purposes. The non marking grey rubber wheel with roller bearings means the castor is quiet to move.
