

## 100mm Fixed Castor with a Black Rubber Wheel with a Metal Centre

### 100-3368-MPVR

This 100mm diameter medium duty fixed castor, with a solid black rubber wheel, is ideal for a large variety of applications. A fixed castor, has a fixed metal frame that supports the rubber wheel, and does not allow the wheel to swivel, enabling controlled uni-directional movement. Fixed Casters are often teamed up with swivel casters on equipment and trolleys for a controlled movement. With a top plate for easy attachment, you can also purchase our M8 Bolts and M8 Nuts, which are ideal for attaching this fixed castor to your application.

### Technical Specifications
