

Bolt hole Castor with 125mm grey rubber wheel and Brake

125-310-R/SWB

This 125mm light duty pressed steel swivel braked castor with 10mm bolt hole fitting and a grey rubber wheel is suitable for a wide variety of light duty applications. The useful foot operated brake simultaneously brakes both the swivel head and the wheel. These bolt hole castors can be teamed up with tubular expanders for easy attachment into hollow tubular legs.
