

50mm Twin Wheeled Castor with Brake and Black Plastic Wheel

50-360-P-BH10/SWB

This 50mm twin wheeled industrial castor with an M10 bolt hole fitting and a brake are suitable for a wide range of light duty applications. These castors come with twin black polypropylene wheels for ease of movement, and the zinc plated castor housing is strong and durable. The foot operated brake simultaneously brakes both the swivel head and the wheel.
