

80mm Braked Castors with a Black Rubber Wheel and Metal Centre

80-3360-MPVR/SWB

This 80mm diameter medium duty castor comes with a foot brake, and a solid rubber wheel. This industrial castor is ideal for a variety of applications, as it has a durable solid black rubber wheel with a zinc plated metal centre. These braked castors have a top plate for easy attachment and can be teamed up with our M8 bolts and M8 nuts! This all round everyday industrial castor not only performs in industrial environments, but also commercial and retail. If you need an industrial braked castor look no further!
